NATIONAL WASH JOINT SECTOR REVIEW CONFERENCE

FEBRUARY 27 to 29, 2024

IMPERIAL PLAZA HOTEL, JUBA

CONFERENCE PROGRAM

Theme and objectives of the conference

Overall theme of the conference:

Transitioning from Humanitarian to sustainable development in the WASH sector

The overall objective is:

*Strengthening collaboration to accelerate progress for achieving universal access to **water, sanitation and hygiene**.*

The main objectives of the conference are:

1. Review water, sanitation and hygiene sector services delivery and governance status across the states, administrative areas, and the country at large.
2. Strengthen water, sanitation and hygiene sector coordination and collaboration towards identification of gaps, harmonization of approaches, and cementing of partnerships and sector financing.
3. Provide clarity on institutional arrangements for the provision of water supply, sanitation and hygiene in urban, emerging towns and rural areas including roles of different government bodies i.e. county governments.
4. Strategize on how to address Gender Equity and Social Inclusion in water, sanitation and hygiene sector service delivery.
5. Foster local and private sector WASH services delivery policy and organization for sustainability of urban, rural and emerging towns WASH systems.
